NUTS CLUB COIN & TOKEN SHOW

Friday and Saturday 10 A.M. to 7 P.M.

- ☺ Help with the Work
- ☺ Bring your Displays
- ☺ Invite Everybody

President's

Message

I hope everyone comes Thursday at the Larry Miller Center. We have fun doing our club meeting, then helping to set up one of Utah's finest coin shows. This helps you get additional tickets to win at the Christmas dinner.

Karen and I have been out detecting and screening a lot this month. It's getting to be a challenge trying to beat her. In Cumberland I found a 1901-O silver dollar, and Karen, 5 minutes later, finds a Home Ranch token good for 2 ½ cents from Cheyenne Wyoming. She doesn't quit until it is too dark to find her way back to the truck, a real die-hard.

Have fun – Will see ya.

June 24, 2004 NUTS Meeting **At the Larry Miller Conference Center**

Help Unload the Equipment at 6:30 p.m. The regular meeting will start at 7:00.

Bring your Finds of the Month

The winner of each category gets a silver dime. The Treasure Hunter of the Month gets a silver quarter.

Promptness Prize

Those who come to the meeting on time and sign the log book, might win the drawing for a nice coin.

Dave Rowel will talk about Metal Detectors. He will demonstrate the differences in the different brands, and may be able to help with any problems you are having with yours.

Coin and Token Show Displays

The purpose of the displays is to let other people know how much fun it is to find and collect pieces of history. Most people at the show will look at the displays before they talk to any of the dealers. This is our chance to let everybody know what we are about. You can use your own display cases, or we will provide them. There are prizes for the best displays. The application is in this newsletter; give it to Bob Campbell or Ty Lamph before the show.

Raffle Drawing

Try for your favorite prize, and have fun.

Setup of Tables and Equipment will be done after the meeting. Other meetings are being held in the room that night, so we will have to wait for them to finish before all the tables can be put in place.

Report from our Club Hunt at

Remember Memorial Day weekend when it was cold and rainy? You should have been in Sego. There was about a half hour of rain early Saturday morning, just enough to dampen the ground. The nights were cool for sleeping, and the days were just warm enough to break a sweat if you were digging.

Near the mouth of Sego Canyon is a series of rock paintings, Archaic from 7000 BC, Barrier Canyon from 2000 BC, Anasazi from 100 BC, Fremont from 600AD, and Ut from 1300 to 1600 AD. The old railroad grade, abandoned in the 1950's, snakes its way up the canyon. The remains of primitive-looking dugouts line the canyon walls. Then as you round a bend in the road, literally glowing in the morning sun, are the temple-like walls of the Sego General Store.

There were only 4 NUTS Club members at this hunt, but we had a great time. The things we found include tokens, coins, medicine bottles, and a silver ring inlaid with abalone. On Sunday, Ty took us on a tour of some of the other rock art in the area. Then we visited some of Ty's favorite rock hounding areas. There were dinosaur bones, petrified wood, and geodes filled with red and yellow bands. His Toyota was riding low on the way back.
